Elite Havens adds Sava Beach Villas to its Thailand Collection

By Latteluxurynews

September 7th, 2017

Elite Havens has announced that the seven villas of the Sava Beach Villas estate are now part of its exclusive Phuket holiday rental collection.

Sava Beach Villas comprises seven designer villas set in a beachfront estate, just 25 minutes from Phuket international airport in Phang Nga province. These Natai Beach rentals offer a choice of seven bedrooms with Villa Tievoli; six bedrooms at Villa Amarelo, Villa Cielo, Villa Malee Sai and Villa Essenza; and four-bedroom escapes at Villa Roxo and Villa Aqua. Each villa has a distinct personality reflecting its individual owner's taste, while all offer a modern haven with sea and sunset views.

An immersion into tranquillity and care awaits guests at Sava Beach Villas, with large private pools of 18 or 25 metres, indoor and outdoor living areas, private dining rooms, entertainment and sports facilities and a team of staff including Thai chefs and villa managers to cater for every guest whim – all just steps away from the soft sands of Natai, a quiet beach that extends 10 kilometres up the Andaman coast. And for those in search of a fantasy beachfront Phuket wedding venue, Sava is a dream destination.

Natai Beach is less than an hour's drive from the busy tourist areas of Phuket, yet it offers a sense of seclusion and exclusivity with only a handful of luxury villas and boutique resorts lining its sandy shore. From relaxing on the sands of Natai and kayaking or standup paddle boarding along the shore to venturing out for a yacht charter cruise of majestic Phang Nga Bay or snorkelling the pristine waters of the Similan islands, Sava Beach Villas offer the ultimate tropical beach getaway.
