# Forget Staying on the Beach, Cliff Tops are where it's at on Bali's Beautiful Bukit Peninsula

Published October 08<sup>th</sup>, 2018

Put yourself in the picture. A sleek, stylish villa with every modern luxury, endless ocean views, and a dedicated team of staff to spoil you rotten. Add an infinity pool right on the edge of your very own slice of paradise, and you will think you have died and gone to holiday heaven.

New to Elite Havens, the two stunning, 5-bedroomed Grand Cliff Villas boast spectacular locations high on the limestone cliffs of southern Bali, with panoramic views of the turquoise-hued

Indian Ocean. Both are fabulously well-equipped for families and also make idyllic holiday retreats for groups of friends, thanks to private chefs, home theatres, games rooms and easy access to the International airport.

At Grand Cliff Nusa Dua, days easily slip by soaking up the views from the infinity pool, Jacuzzi, or day beds. Feeling more active? Descend the stairs to a beach of golden sand lapped by calm reef-protected waters, work out in the air conditioned gym or organise a private yoga class. All the delights of Nusa Dua with its 5-star restaurants, boutiques, and cultural attractions are just minutes away and easily accessed with your own private chauffer. Book now to enjoy an introductory discount of 25%, valid until 14th December 2018.

A little further down the coast, Grand Cliff Ungasan, is a private oasis set within a luxury boutique resort, giving you the best of both worlds, including access to the Kids Club for those with little ones in tow. Enjoy your lavish cliff top hideaway, with 20 meter infinity pool, ample living space and billiards table in the top floor atrium. Then wander out to dine in the gourmet restaurant, glide down the cliffs in an inclinador to the stunning private beach club or indulge in the ultimate spa treatment at the decadent cliff top spa. Life doesn't get much better than this.
