Name: Villa Tirta Nila

Location: Indonesia

There's nothing quite like the experience of being looked after by a full staff in your own private villa on a stunning paradise island. This dream becomes a reality with a stay at the luxurious, four bedroom, Tirta Nila Beach House located in the serenity of East Bali.

Location

The position of this beautiful villa really couldn't be better. You are located right on the seafront and the views are just breathtaking. The villa lies in the quiet village of Sengkidu, 3km from Candidasa on Bali's picturesque and unspoiled east coast. This is a secluded paradise where swaying coconut palms and gentle sea breezes lull you into a happy place. The villa is a great base if you wish to explore Bali's eastern regency of Karangasem, an exotic royal Balinese kingdom of forests and mighty mountains, emerald rice terraces, mystical water palaces and pretty beaches.

Style & Character

The villa is a perfect example of contemporary tropical architecture. It's beautiful and blends right into its surroundings. The décor inside is chic and elegant with touches of colour and a gentle nod to the ocean, it features lovely island inspired furnishings. Staying here is all about living alfresco and the outside is brought in with huge windows that can be opened to create a natural flow between the spaces.

Service & Facilities

Your staff are a huge part of your stay here. Your warm and experienced team includes a manager, butlers, housekeepers and a talented private chef – but more on the food later! They are so friendly and there whenever you need anything and yet are also unobtrusive. The interior of the air-conditioned villa has a living and dining room, modern kitchen and a cosy TV room; it's all gorgeous but you will undoubtedly be pulled outside. Here there is an epic private 15-metre swimming pool which overlooks the ocean. It's surrounded by beautifully manicured

gardens, complete with water features where grand scale Buddha and Balinese goddess statues remind you that you're in Bali. There's lots of places to sit and relax; there's a seaside dining pavilion, a relaxation gazebo, a fabulous man-made elevated beach with a volley ball court and a furnished waterfront terrace with those spellbinding views from which you can directly access the sea. There's a coral reef just in front of the villa and it's a perfect spot to snorkel.

You can rent this gorgeous villa and many others with the fabulous Elite Havens Luxury Villa Rentals. Established in 1998, Elite Havens Luxury Villa Rentals personally inspect and hand select all of their 200 villas and are the exclusive and official representatives of all their villas. They provide an impeccable service throughout Bali, Lombok, Phuket, Koh Samui, Sri Lanka and the Maldives.

Rooms

All four of the spacious guest bedrooms have sea views, walk-in wardrobes and ensuite bathrooms – lovely because everyone is happy! Two of the bathrooms boast both indoor and outdoor rain showers. The rooms also have balconies, terraces or access to a private garden courtyard so that outdoor living can continue.

Food & Drink

Yes, there's a well-equipped kitchen but you are on holiday and you have a private chef at your disposal so make the very most of the experience! A suggestion menu is provided to help you choose but you can also make requests and let them know your tastes. Your chef will cook for you whenever you desire and the cuisine is simply delicious!
