Elite Havens Launches Signature Collection

🕒 July 17, 2020 📄 Resort News 👤 No Comments ✉️ Email

Elite Havens, Asia's leader in high-end holiday rental vacations, announces the launch of its Signature Collection, a premium selection of the most exclusive villas and chalets in exotic destinations such as Phuket, Koh Samui, Bali, Lombok, Sri Lanka, India, Japan and the Maldives.

The Signature Collection's tagline, 'Luxury at its finest', says it all. Each villa or chalet in this collection excels in every aspect from architecture to interior design, boasting prime locations, world-class facilities and impeccable service standards that meet the needs of the most discerning of guests.

The Signature villas and chalets offer enhanced luxury at every level. The tiniest of details are taken care of, and small personal touches that are sure to delight such as bespoke activities or fine dining with personalised menus.

The Elite Havens Signature Collection boasts high service standards and all properties are impeccably maintained. Some havens come fully staffed with in-villa teams while others are supported by highly trained service staff and the Elite Concierge. Impeccable service from start to finish will leave guests wanting for nothing. Villas that are staffed with in-house teams include the services of a professional chef experienced in local and international cuisines. These skilled chefs are passionate about using locally sourced, seasonal produce and working alongside the best suppliers, they create menus tailored to the guests' nutritional requirements. Meanwhile, other Signature havens have access to the very best gourmet food in the area, including bespoke private dinners and barbecue experiences. Dining is always a delight at a Signature haven.

A tropical paradise and popular island getaway, Bali only has the best to offer. Dive into a tropical villa vacation when you stay at an Elite Havens Signature Villa such as the dazzling Noku Beach House, purpose-built for celebrity-style living; the enchanting and tranquil Villa Semarapura; sleek and urban contemporary Villa Issi, or beachfront oasis Villa Seascape. Close to Bali, yet miles apart in terms of its untouched and semi-rural vibe, Lombok is a journey back in time. Pause the clock and let yourself relax at Signature Villas such as the beachfront Sira Beach House which promises barefoot movie nights on the sands and thatched-roof pavilions. The Anandita is another sprawling property commanding beachfront acreage, and Villa Sapi is a tale of contemporary architecture and delicious dining. Offering barefoot luxury at its finest, Koh Samui is another idyllic escape. Signature Villas in Samui include Baan Puri, Element of 8 at Cape Laem Sor Estate and the majestic Panacea Retreat, home to Praana Residence – the ultimate party house with its discotheque, mahjong room and Muay Thai boxing ring. Phuket is renowned as much for its relaxed beaches and dramatic sunsets as it is for its nightlife, world-class beach clubs, spas and fine dining. Experience all this and more when you holiday in an Elite Havens Signature Villa such as the lavish Jivana or Sava Beach estates – each with their own exclusive beachfront. Up on the lush Kamala hills in Baan Paa Talee Estate, a magnificent 9-bedroom oceanfront haven, and Villa Samira, a chic property with breathtaking panoramic views. If powder snow is what you seek, the Signature Chalets in Niseko such as Seshu and Ukiyo Chalet have got you covered.

For a villa or chalet to be considered as part of the elite Signature set, it must fulfil strict criteria such as stunning locations and views, spaciousness, design-centric architecture, highest quality interiors, high-end facilities, superior comfort level, unique touches, and exceptional service.

Guests can now experience the ultimate in enhanced luxury by choosing to holiday in an Elite Havens Signature villa or chalet. Get a taste of these beautiful properties at www.elitehavens.com/signature.apx.
